- **Individual help**

We talk with you, not about you, and work together to achieve your personal goals.

- **Working together**

In our workshop you have the opportunity to learn manual skills and work with wood.

- **Practical support**

Whether it's dealing with the authorities or writing job applications: We support you in mastering the challenges of everyday life.

- **Personal development**

Get to know your skills and how you can make targeted use of them.

We work in teams of 4-6 people and meet two days a week on "Teufelsinsel".

If you would like to know more, just get in touch with us or come by on Mondays or Tuesdays between 2:30 pm and 5:30 pm
